

Ugo LOOBUYCK

—— Python Programmer ——

General Information

Age: 24 years old

Address: H7, 4 – 68159
MANNHEIM, Germany

Phone: +337.72.23.08.89

Email: ugo.loobuyck@gmail.com

GitHub: github.com/ugolbck

Languages

French: Native

English: Fluent (~C1/C2)

German: Beginner (~A2)

Swedish: Beginner (A1)

Interests

New technologies: Data Science,
AI, Mechanics, Robotics, Biology

Art: Cinema/TV series, Music

Sport: Badminton, Workout,
Football

Personal Development:

Productivity, Psychology, Language
and skill learning

Travel: Hiking, Backpacking,
couchsurfing

Machine Learning Skills

- **Data Processing:** NumPy, Pandas, Matplotlib, bs4
- **Machine Learning:** TensorFlow, Keras, Scikit-learn
- **Shallow Models:** SVM, Linear Regression, Naive Bayes, Decision Trees
- **Deep Models:** CNN, RNN, Feed Forward Networks
- **Others:** Git, MySQL, Unix Systems, Raspberry Pi

Educational Background

2018
2020

Master's degree in Computational Linguistics

Uppsala University, Sweden

2016
2018

**Professional Bachelor's degree in
Computer Science**

*Université de Picardie Jules Verne,
Amiens, France*

2012
2015

**Bachelor's degree in English
(Literature and Foreign Civilizations)**

*Université de Picardie Jules Verne,
Amiens, France*

Professional Background

2017
2018

Operating Tools Development (Python)

COVAGE NETWORKS, Amiens, France

2017
